Dear Mr. Buckmaster,

Thank you for your very generous donation of \$10,000.

As you probably know, the Erotic Service Providers Legal and Education Research Project (ESPLERP) is the lead plaintiff in a ground breaking court case, ESPLERP v Gascon (<http://esplerp.org/case3-esplerp-vs-gascon/>), currently on appeal in the Ninth Circuit, which seeks to protect sexual privacy rights

That court case is mostly funded by small donations from individuals, but our opponents (the State of California and various District Attorneys) have very deep pockets - essentially using our taxpayer dollars to deny us our rights. So your generous donation will make a very significant difference.

We will add a public acknowledgement of your donation to our website, referencing "craigslist Charitable Fund" as the donor. And we include a donation receipt for your records.

We so appreciate your support - both financially and in spreading the message that sex worker rights are human rights.

Thank you,

Claire Alwyne
